

Bath and N.E. Somerset Animal Health and Welfare Office

In these uncertain/ testing times there are going to be farmers, smallholders and others that are alone and may need help. This is what the Animal Health and Welfare Officer can do for you.....

- Does your livestock need checking? (if we know your field locations, we can do this especially with lambing time on us)
- Do you need feed or goods collected? (If paid for over the phone with your feed merchant, farm shop OR Pharmacy we can collect this for you and leave somewhere suitable, no contact necessary)
- If you are a Lone Farmer and need anything? (we can help)
- Do you need movement licences or Animal Registers? (we can help)

Are you aware of WERN (West of England Village Agents)? They all local agents and cover the BANES rural communities, they are there to help. **01275 333700**
