

COMPTON DANDO PARISH COUNCIL

(SERVING BURNETT, CHEWTON KEYNSHAM, COMPTON DANDO, QUEEN CHARLTON, & WOOLLARD (EAST))

PRESENT: D Drury (Chair), P Paget, A Dawes (AD), T Butler (TD), J Davis (JD) and 2 members of the public

IN ATTENDANCE: S Smith (Clerk), S Davis (Ward Councillor)

MINUTES OF A PARISH COUNCIL MEETING

HELD ON 20TH NOVEMBER IN COMPTON DANDO PARISH HALL

1. **APOLOGIES FOR ABSENCE:** Councillor HM, Councillor CW and Councillor JD for lateness.
2. **NOTIFICATION OF ANY MEMBER'S PERSONAL OR PREJUDICIAL INTEREST IN ANY ITEM ON THE AGENDA:**
District Councillor S Davis requested that it be recorded that any comments made by her on planning matters would be in line with papers before the Parish Council.

3. **QUESTIONS ON NOTICE BY MEMBERS**
None

4. **MINUTES OF THE PREVIOUS MEETING HELD ON 16TH OCTOBER 2018**

THE MINUTES WERE AGREED BY ALL TO BE A TRUE RECORD AND DULY SIGNED BY THE CHAIR.

5. **FINANCE**

- 5.1 **Finance Report for Compton Dando Parish Council 20/11/2018**
Bank Reconciliation for 26/10/2018

The attached Bank Reconciliation was received and noted.

- 5.2 **Schedule of Expenditure for 01/04/2018 to 20/11/2018**

The attached Schedule of Accounts was approved and the cheques duly signed.

- 5.3 **Parish Hall Payments for 20/11/2018**

The Schedule of Accounts was approved and the cheques duly signed.

Cheque Number	Payee	Description	Amount
1078	L Fox	Consumables	£12.40
1079	PGC (SW) Ltd	New Hand Dryer	£194.40
1080	H Dottridge	Lottery Prizes	£50.00

6. **TO RECEIVE UPDATES ON PROGRESS OF RESOLUTIONS FROM THE CDPC MEETING HELD 16TH OCTOBER 2018 ITEMS 7.3, 7.5.1.1, 7.5.1.2**

- 6.1 **THE CHARACTER AND SITE ASSESSMENTS FOR THE PARISH USING THE TRAINING FROM THE TOOLKIT TRAINING SESSIONS**

The Clerk reported that the site assessments had been submitted and their receipt notified.

Councillor DD thanked the Councillors who had contributed, for their help.

- 6.2 **RESTORATION OF THE REDLYNCH LANE/CHEWTON ROAD JUNCTION FINGERPOST**

Standing orders were dropped and this item was brought forward in order for members of the public to present information.

Councillor TB arrived at 8.03pm.

The outcome of the discussion was for the Clerk to get a quote from Kelston Forge, for aluminium fingers to be fixed to the original concrete post and a finial on the top. A new spigot will be required.

It was reported that templates used on the Wellsway/ Chewton Road fingerpost are available to use. These were produced by Mark Prior of Mill Farm Engineering.

It is thought that the total cost if the templates from Mark Prior are used, should be about £700 + VAT.

The Clerk reported that Jon Holder of Kelston Forge had already been asked for a quote. He is currently busy but should be able to visit the fingerpost in a week or so.

Kelston Forge will be notified of the details once the diameters of the template's finger collars have been notified to the Clerk (ACTION CLERK).

Councillor JD arrived at 8.10 pm.

6.3 DOG BIN FOR CHEWTON KEYNSHAM LAY-BY

The Clerk reported that the cost of the smallest plastic bin, attached to a post should cost £110.50. Councillor DD reported that the company used by Keynsham Town Council would charge £5 per week to empty it (£260 per year).

It was DECIDED that the residents of Chewton Keynsham should be contacted to see if they are prepared to contribute towards the cost (ACTION CLERK).

The Clerk will also contact Keynsham Town Council to ask if they would be prepared to pay for the cost of emptying the bins as most dog walkers reside in Keynsham (ACTION CLERK).

7. MATTERS FOR DISCUSSION/DECISION

7.1 TO DECIDE ON ANY ADJUSTMENTS TO THE BUDGET FOR 2019 – 2020 BEFORE APPROVAL IN THE DECEMBER MEETING

Approximately half the budget must be in the account to cover emergencies.

The possibility of paying for an election needs to be provided for although B&NES Council have decided that no charges will be made for elections in 2019. A spreadsheet detailing bi-election costs will be circulated by B&NES in due course.

It was DECIDED that only the cost of the Telephone Kiosk painting should be removed.

The Clerk will amend the budget and circulate before the December meeting (ACTION CLERK).

7.2 TO REVIEW THE FINANCIAL POLICY

The policy was reviewed and DULY SIGNED by two Councillors.

7.3 TO APPROVE THE CONTINUING USE OF A VARIABLE DIRECT DEBIT

The only variable direct debit is that to EDF for the electricity used.

The Councillors APPROVED continuing with the variable direct debit.

7.4 TO RECEIVE AN UPDATE ON THE MILLENNIUM GREEN FINGERPOST RESTORATION

The Clerk reported that the fingerpost had now been restored by Kelston Forge and in position thanks to Councillor Paget's organisation of the painting and re-attachment of the fingers with volunteer help.

The Clerk reported that a completion report had been submitted to Tesco Bags for Help. The Community Empowerment officer had been informed and photographs had been put on the Council website.

Tesco Bags for Help emailed to say that funding for another project could now be made.

7.5 TO DECIDE ON ANOTHER FINGERPOST TO APPLY TO TESCO BAGS FOR HELP FOR RESTORATION FUNDING

It was DECIDED that an application for funding from Tesco Bags for Help should be made for the restoration of the fingerpost at the junction of Cockers Hill and Huntstrete Lane (ACTION CLERK).

7.6 TO DECIDE IF AN APPLICATION SHOULD BE MADE TO THE BRISTOL AIRPORT DIAMOND FUND FOR FINGERPOST RESTORATION

It was DECIDED that an application should be made for fingerpost restoration with a request for £675 (ACTION CLERK).

7.7 TO DECIDE WHICH EMAILS SHOULD BE FORWARDED TO COUNCILLORS BY THE CLERK

It was DECIDED that the amount of emails forwarded to Councillors by the Clerk should be left as it is.

7.8 TO RECEIVE INFORMATION ON PURDAH

It was reported that Purdah will take place between 18th March 2019 and the 3rd May 2019, during which time no financial decisions can be made by the Parish Council. Every attempt to not influence the outcome of the May elections must be taken.

It was stated that the Village Meetings will need to take place before 18th March 2019.

7.9 TO RECEIVE AN UPDATE ON REGISTERING THE PARISH HALL WITH THE LAND REGISTRY

The Clerk reported that FDC Law have submitted an application to the Land Registry as they now have proof of ownership of the extension land from the solicitors that acted for the Parish Council at the time of the conveyance.

FDC Law are concerned that the 11th November 1890 Settlement relating to the annual rental mentioned in the 1955 conveyance deed is missing, which may result in the need to take out an indemnity policy because the rental referred to in the deed, was split between several unknown properties and a claim could be made in the future.

FDC Law have suggested that signed Statements of Truth, verifying that during the last 12 years, no demand for the rental has been made and no rental has been paid, will hopefully be sufficient for the registration of the Parish Hall with the Land Registry to take place.

Two previous Chairs and the current Clerk have agreed to sign such statements.

7.10 TO CONSIDER HOLDING ANOTHER DEFIBRILLATOR TRAINING SESSION FOLLOWING A REQUEST BY PARISHIONERS

This item is to be carried forward to the December meeting.

7.11 TO DECIDE WHETHER TO ACCEPT THE OFFER OF 50% OF THE COST FOR RESTORING THE COMPTON DANDO WAR MEMORIAL FROM THE WAR MEMORIAL TRUST

It was reported that the appearance of the War Memorial had been vastly improved by the work carried out by Classic Memorials for the addition of Frederick Light's name. Also, the lowering of the surrounding shrubbery had added to the improvement.

It was felt that the War Memorial was structurally sound and did not require further work at this time.

It was DECIDED that the Parish Council would not accept the offer from the War Memorial Trust because of the improvements that had already been done and the need to contribute about £1000 for further cleaning and pointing of the brickwork.

7.12 TO DECIDE IF THE 11TH EDITION OF ARNOLD-BAKER ON LOCAL COUNCIL ADMINISTRATION SHOULD BE PURCHASED

Arnold-Baker on Local Council Administration (now edited by Paul Claydon) is a complete statement of the law relating to parish and community councils, in the form of an extensive though succinct narrative accompanied by comprehensive statutory materials.

The edition currently held by the Clerk was published in 2016.

Through SLCC this would cost £103.99.

It was DECIDED not to purchase the book as advice was easily available from NALC, ALCA and SLCC.

7.13 TO DECIDE WHETHER TO ACCEPT THE GIFT FROM CURO OF AN AREA OF GREEN SPACE AT CULVERHAY

The Parish Council have been contacted by the estate advisor for Curo, who manage and maintain the piece of ground at Culverhay.

They now only own one property in Culverhay, so the tenant's service charge is quite costly, whereas previously the cost was distributed across several tenants.

Curo have asked if the Parish Council would be interested in Curo gifting the piece of ground to them.

The Clerk reported that the offer had been withdrawn.

8. PLANNING APPLICATIONS RECEIVED

**8.1 18/04605/TCA Home Farm Buildings, Queen Charlton Lane, Queen Charlton, Bristol
Horse Chestnut - Pollard at forks to stabilize as diseased and has major cambium dysfunction**

The Parish Council has NO OBJECTION and will go with the recommendation of the arboriculture specialist.

**8.2 18/04838/REM Brook Cottage Hunstrete Lane Woollard Bristol BS39 4HU
Removal of conditions 2,3,4,5 and 6 of application 14/04717/FUL (Installation of country style gateway to provide pedestrian and vehicular access to the rear of Brook Cottage and Lower Brook Cottages.)**

The Parish Council SUPPORT the removal of the conditions.

**8.3 18/04866/TCA Tolzey Cottage Penn Hill Lane Queen Charlton Bristol Bath and North East Somerset BS31 2SJ
T1 - Gingko Biloba - remove tree and grind stump**

The Parish Council has NO OBJECTION and will go with the recommendation of the arboriculture specialist.

8.4 18/04892/ADCOU : Rosebank Common Lane Compton Dando Bristol Bath and North East Somerset BS39 4JU

Prior approval request for change of use from Agricultural Building to 2no Dwellings (C3) and for associated operational development.

The Parish Council unanimously STRONGLY OBJECT to this application for the following reasons:

The building is in a visually prominent position and will therefore have a huge adverse impact on the Green Belt (Policy GB2 Page 194 (LP)).

There will be increased light pollution and an impact on the natural environment (Policy D2 Page 28 (LP)).

The materials, design and the scale height and degree of the development are not acceptable (Policy D2 Page 28 (LP)).

There is no support for a change from agricultural use. The land is not redundant and the place is not sustainable. The buildings would be out of keeping with the surroundings.

9. APPEALS

9.1 18/00039/ENFAPL

Enforcement Ref: 16/00205/UNAUTH

Planning Inspectorate Appeal Ref: APP/F0114/C/17/3192159

Lime Kiln Farm Charlton Road Queen Charlton Bristol

Without planning permission, the change of use of land from agriculture (Sui Generis) to open storage (Use Class B8).

An Inspector will attend the following venue on the 21st November 2018 at 10.00am to conduct the Public Inquiry:

The Kaposvar Room, The Guildhall, High Street, Bath, BA1 5AW

Most Public Inquiries last for one day, but more complex cases can last two or three days. For more information please contact the Case Officer on the above number or contact the Planning Inspectorate on 0303 444 5000.

Anyone may attend the Public Inquiry and at the Inspector's discretion, give their views on the proposal. Electronic booklets entitled 'Guide to Taking Part in Planning Appeals' are available for download on the Council's website. Alternatively, you can also access these documents via the Planning Inspectorate website at

<https://www.gov.uk/government/organisations/planning-inspectorate>.

Received and noted.

10. DECISIONS BANES DECISION NOTICE GIVING FULL DETAILS CAN BE FOUND ON THE B&NES PLANNING PORTAL at www.bathnes.gov.uk

10.1 18/01959/FUL Warners Farm Chewton Road Chewton Keynsham BS31 2SS

Erection of three dwellings and subdivision of land following demolition of existing buildings at Warners Farm (Resubmission). (CDPC comments only June 2018)

PERMIT

- 10.2 18/03923/FUL Manor Farm Cottage Vicarage Lane Compton Dando Bristol Bath and North East Somerset**
Erection of single storey rear extension following removal of existing annexe and conservatory. (CDPC support Sept 2018)

PERMIT

- 10.3 18/04317/TCA Fords Farmhouse Queen Charlton Lane Queen Charlton Bristol Bath and North East Somerset**
1x Plum (Mirabelle) - removal of side limb threatening telephone line and property.
(CDPC No Objection Oct 2018)

NO OBJECTION

11. ENFORCEMENTS

Members of the Parish that may have a concern regarding suspected unauthorised building works, retrospective planning or non-permitted change of use to a building may report this directly to the Enforcement Department of Bath and North East Somerset Council by emailing development_management@bathnes.gov.uk or telephoning 01225 394041 (planning department extension) OR alternatively you may report the same in confidence to the Parish Clerk (details below). The matter of enforcement will be held in strict confidence and will not be discussed by the Parish Council until an Enforcement Notice is issued at which stage the matter will be brought to the attention of the Parish Council by the Local Authority.

UPDATES REQUESTED ON:

11.1 None

12. ITEMS FOR ACTION

12.1 None

13. CORRESPONDENCE FOR ACTION

13.1 EMAIL FROM B&NES COUNCIL INFORMING OF A 6 WEEK CONSULTATION COMMENCING 16TH OCTOBER ON CLEAN AIR IN BATH

It was DECIDED to send the following comments to B&NES Council:

The Clean Air in Bath Policy would affect the rural communities in a negative way due to the lack of rural transport available which forces people to use their cars. The cost of a congestion charge of £9 for a car in addition to the current recently increased parking charges is very high when there is no other choice if you want to get to work or an appointment on time.

Parish Councillors have to go to Bath frequently for meetings and need to use their cars, which will increase costs that they incur undertaking Council business

It is thought that the high cost for delivery vehicles entering Bath would cause businesses to suffer as the cost would probably be passed on to them.

The policy would restrict people using their cars but there is no reliable alternative. Also, if you live in Compton Dando Parish there is only the Community bus which has a very limited service and to use the train you need to drive to the station. There is also limited parking close to Keynsham railway station. The 178 service from Burnett takes 90 minutes to get to Bath.

13.2 EMAIL FROM B&NES COUNCIL DETAILING THE CIL TRAINING SESSION

The training session will take place on Thursday 6th December from 6pm – 7.30pm in the Cadbury room, Somerdale Pavilion, Tiberius Road, Keynsham, BS31 2FF.

Places are initially limited to two representatives, who need to register their vehicle's registration number at reception, on a tablet system, to secure the free parking.

Please would you advise Catherine Parker at planning_policy@bathnes.gov.uk if your council/forum is able to be represented and if so the names that of those will be attending.

Councillor DD will be attending.

13.2 EMAIL FROM B&NES COUNCIL INFORMING OF A CONSULTATION ON IMPROVEMENTS TO KEYNSHAM TOWN CENTRE

People who live and work in Keynsham are being invited to give their views on potential changes to the public realm in the town centre.

A drop-in event is being held at the Civic Centre, Keynsham, on Thursday 22nd November between 3.30pm and 7.30pm.

Bath and North East Somerset Council (B&NES) has launched a round of public consultation focusing on public realm improvements which it believes will help improve Keynsham's town centre environment, making it more accessible and attractive.

Improvements to the public realm were highlighted as a key priority by local people in the consultations that informed the Keynsham Town Plan, Keynsham Transport Strategy and B&NES Placemaking Plan. The January 2018 consultation further reinforced the importance of these improvements to local people.

Received and noted. A response will be discussed at the December 18th meeting.

13.4 EMAIL FROM B&NES COUNCIL INFORMING OF A CONSULTATION ON THE LOCAL PLAN 2016 TO 2036: OPTIONS AND RELATED PROJECTS (further information APPENDED)

Local Plan 2016-2036

The Council is preparing a new Local Plan which is principally about the use and development of land. It will help deliver the [West of England Joint Spatial Plan](#), which will provide a new strategic planning context for all four West of England Districts. Both plans cover the period 2016-2036.

The Local Plan will include a strategy to guide development, site allocations (including strategic development locations and smaller sites) to meet identified development requirements and district-wide Development Management policies for determining planning applications.

The Keynsham staffed exhibition venue is the civic Centre Community Space 22nd November 3.30 – 7.30pm.

Received and noted. A response will be discussed at the December 18th meeting.

13.5 INVITE TO ATTEND THE ANNUAL MINCE PIES AND MULLED WINE AT BRISTOL AIRPORT

This takes place on Monday, 3 December at 6:00 p.m. for 6:30 p.m. at the Centreline hangar, Southside – guest car parking will be available in the Centreline car park and complimentary exit tickets will be handed out on the day.

"We'll be sharing with you, presentations on our work throughout 2018, while looking ahead to 2019 and our planning application.

RSVP by 23 November 2018 to Olga oortega@bristolairport.com"

Received and noted.

14. CORRESPONDENCE FOR INFORMATION

14.1 EMAIL FROM MARTIN LAKER OF B&NES COUNCIL INFORMING OF THE ANNUAL PARISH ONLINE MAPPING EVENING

This will take place on Wednesday 27th November in the Stanton Building, on the Newton Park campus of Bath Spa University. Doors open with refreshments at 18:00 for an 18:30 start and finish by 21:00.

Councillor DD will attend.

15. REPORTS

15.1 PARISH HALL REPORT (APPENDED)

15.2 VILLAGE UPDATES

15.2.1 The Clerk reported that Jim McEwen of B&NES Council, has recently inspected the ditches in Queen Charlton village and would be contacting the land owner where a tyre was found embedded in one of his ditches.

15.3 ARMISTICE COMMITTEE ORGANISATION OF WWI COMMEMORATION

Thanks, are extended to the Armistice Committee for the wonderful job they did organising all the events for the commemoration of 100 years since the end of WWI.

The Parish Council are very appreciative of everything they have done.

15.2 REPORT FROM PARISH LIAISON MEETING 24TH OCTOBER

Purdah was discussed and so also the Bath Clean Air Policy consultation.

15.5 REPORT FROM MEETING CONCERNING HEAVY/LARGE LORRY ACCIDENTS/INCIDENTS IN CHEWTON KEYNSHAM (NOTES APPENDED)

It was DECIDED that the email address of Sam Kayser, Avon & Somerset Police Beat Manager should be put on the Parish Council website in order that parishioners can report the registration and/or company name, of any vehicles seen ignoring the weight limits and HGV sat nav instructions.

samantha.kayser@avonandsomerset.police.uk

It was reported that once informed, the police will pay a visit to the haulage company.

The Clerk will circulate and email informing residents of Chewton Keynsham of the above information so any issues involving traffic can be passed directly to the police (ACTION CLERK).

16. ITEMS OF REPORT TO BE CARRIED FORWARD TO THE NEXT MEETING

None.

DATE OF NEXT MEETING IS 18th DECEMBER 2018 AT 8.00PM IN COMPTON DANDO PARISH HALL

THE MEETING CLOSED AT 9.50 PM

Minutes prepared by: Susan Smith (Clerk)

Agreed as a correct record on.....

Signed (Chairman).....

Parish Hall Report
November 2018

November, as ever, sees the issue of the Chairman's winter flood watch rota. This means that there is someone in the village keeping a particular eye on the stream level and the weather in general at all times.

That said, the recent commemoration of the 1968 flash flooding reminds us of need for constant vigilance even in high summer.

As well as those joining the flood watch team, I should like to thank Jenny and Richard Davis for cleaning the summer weed growth from the stream and carting it away as well as the early morning dog walkers who make sure they go via the large grating in the wood and keep it clear in passing.

There is going to be an initiative to stop hirers interfering with the Hall's heating. We recently discovered that someone had turned off all the radiators via their isolation valves. This not only stopped the system working but also meant that Mark Kuyser, assisted by Andy Fox, kindly spent four- or five-hours re-balancing the whole system. So, as a deterrent against future meddling, all the isolation valve covers have been removed.

To close on a positive note, our particular thanks goes to Ben Wall and his fete team who, through the auspices of the CDCA, have donated a third of the day's profits: the princely sum of £900. We are very, very grateful.

John Dottridge

Notes from traffic meeting 8/11/18

Attending

Dawn Drury, Parish Council

Sally Davis, BANES Council

Stefan Chivers, BANES Highways Dept

James Morris, Chewton Place

Trudie Mitchell, The Cottage, Chewton

Sam Kayser, Avon & Somerset Police, Beat Manager

Corry M, Avon & Somerset Police

The residents of Chewton gave background info on numerous and increasing traffic incidents on Chewton Road where it turns over the double bridges by Chewton Place. Photos were shown of damage caused in the last 5 years, including the most recent one in October 2018 when a Tesco articulated lorry heading for Avonmouth got stuck on the bridge, having first hit a planter and barrier outside of The Cottage, and then damaging Chewton Place's recently restored railings and wall on the grade 2 listed bridge (estimated £30,000 damage)

James described to the meeting how the driveway at Chewton Place has been regularly used by large vehicles to turn upon realising they cannot make the turn onto the bridge, often causing damage to the landscaping and/or walls on his property. He informed the meeting that new entry gates will be installed at Chewton Place in 2 weeks, which will mean that vehicles will not be able to use the driveway to turn. For large vehicles that means they will only be able to back up to the Wellsway. Trudie described how this normally takes about 20 minutes, more at peak times, during which time the road is blocked in both directions (200 cars per hour use this road at peak times). And when the road is wet, icy or covered in leaves she has witnessed it take more than an hour.

There was some general discussion about the increase in general on this road since the building of many new estates on what used to be green belt land on Charlton Road, the new one-way system in Keynsham, and the current roadworks in Marksbury, followed by a more focussed discussion on the weight limit of 7.5 tonnes (except for loading) on Chewton Road, and in fact through most of Keynsham. This limit is

being widely ignored, and not enforced on Chewton Road. James also informed the meeting that the buttresses on the second bridge (nearer the village) appear to be breaking down. 2 of the 4 sluices which can be opened or closed in times of flood risk to Keynsham are also damaged.

The following was agreed:

1. The Parish Council will mail local companies reminding them of the weight limits and reminding them that it is an offence to break them. The same message will be added to the PC website
2. The police encourage local residents to note vehicle registration numbers and company names for large trucks or lorries using the road, and to send them to Sam as beat manager (email contact details to be forwarded). They will contact the companies involved and will warn offenders that action may be taken against them.
3. Sam also said that James should send her the date when the new gates are put in place, as she may be able to send a police presence should there be traffic issues
4. Stefan proposed a temporary traffic sign at the top of Chewton Road at the Wellsway junction warning of a narrow bridge ahead. He will try to find funding and put this in motion asap.
5. Stefan will also look into the possibility of changing the weight limit to a 3-tonne limit
