## **6.2 BROADBAND IN THE PARISH**

It was noted that there is a parishioner who is Compton Dando Truespeed Champion and as such is in contact with Truespeed, and he will be contacted with any future questions for the company.

## **7. MATTERS FOR DISCUSSION/DECISION**

### **7.1 TO DISCUSS CHARACTER AND SITE ASSESSMENTS FOR THE PARISH USING THE TRAINING FROM THE TOOLKIT TRAINING SESSIONS**

It was reported that Councillor DD had produced the packs for each area to be assessed.

The site character assessments are to be checked by Councillors prior to the next Parish Council meeting.

### **7.2 TO DISCUSS THE REQUIREMENTS AND COSTS FOR THE PROTECTION AND PREPARATION OF THE TRIANGLE TRAFFIC ISLAND IN QUEEN CHARLTON VILLAGE**

To be carried forward.

### **7.3 TO DECIDE ON THE WORDING OF A NOTE TO BE SENT TO THE RESIDENTS OF BURNETT TO REMIND THEM THAT LEAVES ON THE ROAD WHEN WET CREATE A SLIPPERY SURFACE.**

The wording on the letter was APPROVED. It will be distributed via email (ACTION COUNCILLORS DD AND PP)

### **7.4 TO DECIDE IF THE PARISH COUNCIL WILL PAY FOR THE ADDITION OF FREDERICK LIGHT'S NAME TO THE WAR MEMORIAL.**

The Clerk reported that Classic Memorials said in order to have names of equal size, the two original names would need to be moved higher up on the stone and the additional name placed underneath.

The Parish Council thought that the two original names had been there almost 100 years and were concerned about moving them. It was DECIDED to contact the Armistice Committee to see if they were happy for the additional name to be smaller than the other two names.

### **7.5 TO DECIDE IF THE PARISH COUNCIL WILL PAY FOR A WREATH FOR THE WAR MEMORIAL THIS NOVEMBER**

It was DECIDED that the Councillors would make a personal donation.

### **7.6 TO DECIDE ON THE WORDING OF A RESPONSE TO BRISTOL AIRPORT'S DRAFT NOISE ACTION PLAN CONSULTATION**

The Draft Noise Action Plan is available on the Bristol Airport web site ([www.bristolairport.co.uk](http://www.bristolairport.co.uk)) and a consultation will run until 2<sup>nd</sup> October.

It was DECIDED that the Parish Council would support the comments to be sent by the PCAA and would not submit any comments directly to Bristol airport.

**7.7 TO DECIDE ON THE WORDING IN RESPONSE TO BRISTOL AIRPORT'S DRAFT NOISE ACTION PLAN CONSULTATION TO BE SENT TO THE PCAA BY THE 21<sup>ST</sup> SEPTEMBER**

The Parish Council whole heartedly SUPPORT the comments to be submitted by the PCAA.

The PCAA will be informed (ACTION CLERK).

**8. PLANNING APPLICATIONS RECEIVED**

**8.1 18/03923/FUL Manor Farm Cottage Vicarage Lane Compton Dando Bristol Bath & North East Somerset BS39 4LA**

**Erection of single storey rear extension following removal of existing annexe and conservatory.**

The Parish Council unanimously SUPPORT the application for the following reasons:

There will be no adverse visual impact on the Green Belt (Policy GB1, PP page 108) and the amenity of neighbours' light, access and noise is preserved (Policy D6, PP page 74).

The materials and design are satisfactory, and the scale, height and degree of extension is acceptable (Policy D2, PP page 71). The design is better than that currently there and will make the building look more balanced.

**8.2 18/03790/FUL Compton Green Farm, The Green, Compton Dando, Bristol, BS39 4LE**  
**Change of use from agricultural use to dwelling (C3) (CDPC objected May 2015)**

Compton Dando Parish Council strongly OBJECT to the application for the following reasons:

The original small piggery was demolished and replaced with the current building without planning permission. Since the current building has never been proved to have been used as a barn, the Parish Council strongly object to the application to change it from an agricultural building into a residential building. The building has always been a redundant building.

# **Parish Hall Report**

**September 2018**

In the absence of the chairman I have been asked to send the report this month.

The new boiler was installed on the 20<sup>th</sup> of August and we plan ensure that radiators are balanced once we reach central heating season.

The caretaker reports that the isolation valve on one of the ladies' toilets has been installed and those in the disabled toilet and the other ladies' one will be done shortly.

There is a fault with the hand dryer in the men's toilet and Councillor Dawes has been contacted to arrange for this to be resolved as it became faulty not long after it was installed. We have also asked if he could advise about stabilising some of the paving stones on the footpath by the hall as these could be hazardous as winter progresses.

The caretaker has a holiday next month but her duties are being covered by members of the hall committee for which we would like to thank them and wish her a well-deserved rest.
